

Dear <GRADUATE FIRST NAME>,

Destinations of Leavers from Higher Education Longitudinal Survey

We are writing to invite you to take part in an important survey of people who graduated from higher education in the academic year 2006/07.

You helpfully completed a questionnaire about six months after you graduated which asked what you had been doing in terms of work and further study. You have now been selected to take part in a follow-up survey to find out what has happened to you since then.

To complete the survey please follow this link which will automatically log you in:
